2021 Dos Griegos Community Wildfire Prevention Activities

In Association with...

- ❖ *Dos Griegos I, II, and IV Homeowner's Associations,*
- ❖ *The National Fire Prevention Association, and*
- ❖ *The Pinos Altos Volunteer Fire Dept. (PAVFD)*

The threat of wildfire is becoming increasingly prevalent and dangerous, posing greater risks to people and property than ever before. **The 2021 Dos Griegos Community Wildfire Prevention Activities** are an ideal way to focus on what **you** can do to help protect your personal property and improve wildfire safety for the entire community.

WHAT YOU CAN DO:

Save the Dates Below!

- Participate by trimming, removing leaves, or weed-whacking areas around your home or common areas (e.g., fire hydrants, open space, electrical boxes). **See the websites below for project ideas and more information. Due to COVID-19 regulations, please maintain a social distance of 6 ft. and wear a mask when working around others.**
- **Stack your trimmings in neat piles**, at the end of your driveway or the roadway, **by May 2nd**. Please do not stack trimmings that can be bagged (e.g., leaves, twigs) or are too large to fit into the bed of a pickup truck.
- **HOA and PAVFD volunteers will pick up and haul your yard trimmings** to the dump **between May 3rd and May 7th**, or you can haul your own debris if you have a truck or trailer.
- Please contact your HOA President (see below) if you need additional assistance on your property.

All trimmings and debris must be taken to the dump – there will be no chipper available.

When you have completed your hour(s) of work (including any hours worked from October 2020 through August 2021), please contact your HOA Board President with your name, address, and total number of hours worked. Your hours will be documented and included in the total number of hours **required for the 2021 Dos Griegos Firewise Renewal Application.**
