

Learning to Live with Fire

How to prepare for wildfire season!

Free Webinar Series

Every Thursday in March

One hour sessions starting at noon

Featuring Doug Cram (NMSU) and Guest Speakers

Register [here](#) for each session:

- **March 4th:** Wildfire! You have 5 minutes to evacuate. What should I do? Also: Evacuation? It won't happen to me, right? Lessons learned from the Ute Park Fire. Guest speaker Arnie Friedt, NM State Forestry.
- **March 11th:** Be Prepared for Wildfire - Proactive steps for individual and family preparedness. Also: Identification of insect and disease tree mortality and proper disposal. Guest speaker Tom Dominguez, Santa Fe County Extension Agent.
- **March 18th:** Be Prepared for Wildfire - Proactive steps to safeguard your home, yard, and neighborhood. Also: Technical assistance for private forest landowners. Guest speaker Shannon Atencio, NM State Forestry.
- **March 25th:** Be Prepared for Wildfire - Ranches and farms. Also: Livestock and wildfire. Guest speaker Ruben Baca, NM Livestock Board.

For more information, contact Doug Cram (575-646-8130 / dcram@nmsu.edu), Suzanne DeVos-Cole (sdcole64@nmsu.edu), or your county extension agent.

If you need auxiliary aids and services to participate, please e-mail Doug Cram.
